The NASPP with membership throughout the Financial and Fortune 500 corporations looks to IGCE Consultants to produce its annual convention each year. This convention is the only one in the United States where the latest SEC rulings are put into the context of corporate stock plans and investing for corporation stock plan managers and those who implement them.

From design and development of the convention show floor and exhibits to Online/Onsite registration and exhibitor prospectus consulting to Site Selection and Room Block Management, IGCE Consultants provide services from before the first email blast and save the date card are launched to the final wrap up of payments upon the conclusion of the convention.

Providing the seamless customer service experience along with our deep knowledge of the inner workings of hotels, the combined team is able to exceed the expectation of attendees and exhibitors.

We are humbled to have the respect of the attendees and exhibitors as well as a the treasured partnership with the NASPP team.
